[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Legislative Reference Bureau and the Legislative Council Staff, dated September 2008.]

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. The introductory clause should reflect that the rule pertains to the qualifications of the veterans home commandants and the administrator of the Division of Homes.

b. In SECTION 1, it is suggested that the first clause of the first sentence be rewritten as follows:

“Employ a commandant for each Wisconsin veterans home,...”.

Also, the second sentence should be rewritten to read: “A person who is employed as a commandant or as the administrator of the division of homes on or after January 1, 2011, shall be licensed as a nursing home administrator under ch. 456, Stats., or shall obtain that licensure within 90 days of beginning employment as a commandant or an administrator.”

c. In SECTION 2, where a subsection is repealed, only the treatment clause is set forth, ending with a period. The repealed text is not shown.

d. The effective date provision should read: “This rule shall take effect on the first day of the month following publication in the Wisconsin administrative register as provided in s. 227.22 (2), Stats.”
